

REPRESENTING LEADING MANUFACTURERS  
— IN FLORIDA SINCE 1994 —

September 1, 2023

Spirit Group, Inc. is pleased to announce its purchase of Engineered Concepts, LLC on September 1<sup>st</sup>, 2023. This acquisition further strengthens our experienced and effective sales team. The new people who have joined our team, and the new manufacturers we now represent, complement, and create additional synergies and solutions for the manufacturers and customers we currently serve. Spirit Group now has an office and warehouse space in Pompano Beach, FL to enhance the capabilities of our strategic flagship location in Orlando, FL.

Founded by Bill and Sheree Freeman in 1994, Spirit Group is a second-generation, family-owned, and operated manufacturer's independent sales representative agency that covers several market segments by selling through our wholesale distribution partners, while creating demand with contractors, engineers, architects, designers, builders, and facilities.
